

5th March 2010

This week Emma's group invited guests to celebrate Shabbat.
Next week it will be the turn of Cheryl's group.

We have started our **Pesach** theme. The children have heard the beginning of the Pesach story and Ilyse has been here with her guitar. We have emailed the song sheet to every family whose email address we have.

If you have not received the email please send your email address to admin@gilahnursery.com with the subject seder songs and we will forward a set to you.

This week from the parents' committee fundraising efforts, new library books for Cheryl's room have been ordered and a paint dryer for the younger rising 3's. The next fundraising event is the Sponsored Bounce, details will follow after Pesach.
