

25<sup>th</sup> June 2010

This has been the last week of our animal theme. We are looking forward to Dillon coming to see the rising 4's with his owner on Friday, who will talk about Dillon's day and how to care for a pet.

On Monday we start our **Holiday** theme, hopefully the weather will continue to be fine and we can enjoy the sand and water activities in the garden. Please ensure your child has a high factor sunscreen applied in the morning. 'All day' varieties are now available and we play in shady areas and use sun hats to prevent excess exposure.

Dear Parents,

This year Gilah is hosting its own sports day and you are all invited to watch your child take part in different races.

Spaces are limited so no more than two adults per child. Babies and toddlers are also welcome.

The children will be in teams with their key worker and there will be three separate sessions for each age group (see table below). **Valerie and Georgina's groups are part of the rising 3's** and Michelle and Karen's groups are the rising fours.

<b>Class</b>	<b>Key workers</b>	<b>Time</b>

<b>Class</b>	<b>Key workers</b>	<b>Time</b>

The sports session will be followed with refreshments in the classroom for the children. The children will be awarded certificates for all their hard work and effort during P.E. sessions. If it rains the sessions will be held indoors.

Look forward to seeing you all there.

Yours Sincerely

Lisa Freedman (P.E. co-ordinator)

I have been on the Gilah Committee for the past two years and have thoroughly enjoyed time spent working with the committee members. I have worked closely with Susan to initiate and organise fundraising functions for the nursery. This year we have raised a substantial amount of money which has enabled us to buy additional equipment and toys for the children to enjoy at Gilah. I intend to continue with this for the next two years and envisage my role as parent governor, should I be elected, to bring together both functions. I would welcome the opportunity to converge the role of the fundraising part of my activities with knowledge of how best to add to the sustainability of the nursery. I would welcome the opportunity to bring the views of all the parents to the governors. I have only had good experiences at Gilah. I hope that the rapport I have developed with the staff and parents, which has enabled me to help solve previous issues and by working with Susan avert potential ones, will enable me to fulfil the role of parent governor in a conciliatory way and I would welcome the involvement that this new role would bring. My daughter had been at Gilah since she was two years old and is now leaving to go into reception. I have experienced through her time as a nursery child most of the different sections of the nursery. I look forward to my son starting shortly. My daughter has only had positive experiences at Gilah and has really enjoyed her time here, I will be sad to see her leave!

I am very interested in applying for the parent governor role. I believe I could make a valuable contribution, and provide a unique viewpoint into the parent side of Gilah.

Currently my two sons attend Gilah and Ethan my youngest will also be joining in September 2011. I have a vested interest in keeping Gilah the fantastic nursery it is for mine and other children to learn and play.

I feel I would be a valuable member due to my previous role as a project manager at T-Mobile's and of course my current position as a full time mum.
